Moving Up To *Westfield Intermediate School*

Transition Program

Making the move to intermediate school is a milestone in the life of a preteen. Changes in academic focus and routines can evoke anxieties for those preparing to make the transition. Here is an opportunity to rehearse important routines, procedures, and study skills which will enhance your child's ability to make the transition a smooth and enjoyable one.

A four-day, activity-filled introduction to the new intermediate school enrichment is being offered to help your child learn the routines, procedures, and organizational strategies which will be helpful in becoming acclimated to WIS. Lessons, activities, and games are designed to reinforce and strengthen academic foundation skills which are the basis for continued success.

INSTRUCTORS: Mr. M. Wroth & Mrs. M. Callahan
WHEN: Monday – Thursday August 5th- 8th
TIME: 8:30 – 11:30 am
